

General Questions

1. **What is an Online MBA?**

An Online MBA is a postgraduate business administration degree offered through virtual learning platforms, allowing students to study remotely at their convenience.

2. **How does an Online MBA differ from a regular MBA?**

The curriculum remains the same, but an Online MBA offers flexibility in terms of location and timing, making it ideal for working professionals.

3. **Is an Online MBA recognized by employers?**

Yes, an Online MBA from accredited universities like NMIMS is widely accepted by employers, especially for managerial and leadership roles.

Eligibility & Admission

4. **Who is eligible for an Online MBA?**

Applicants must have a bachelor's degree from a recognized university. Some programs may require work experience.

5. **What is the admission process for an Online MBA?**

The process typically involves filling out an online application, submitting academic transcripts, and sometimes taking an entrance test or attending an interview.

6. **Is there an entrance exam for an Online MBA?**

Some universities require an entrance test, while others offer direct admission based on academic qualifications.

Program Structure & Learning

7. **What specializations are available in an Online MBA?**

Most universities offer specializations in areas like:

- Marketing Management
- Finance Management
- Human Resource Management
- Business Analytics
- International Business
- Operations & Supply Chain Management
- IT & Systems Management

8. **How are online classes conducted?**

Online MBA programs use a mix of **live and recorded lectures, case studies, interactive discussions, and digital assignments** through a Learning Management System (LMS).

9. **Can I balance work and study while pursuing an Online MBA?**

Yes! An Online MBA is designed for working professionals. You can **study at your own pace, access recorded lectures, and schedule exams flexibly**, making it easier to manage both work and education.

10. **Are there live interactions with faculty and peers?**

Yes, students can participate in **live webinars, virtual Q&A sessions, and discussion forums** to interact with faculty and peers.

Exams & Certification

11. **How are exams conducted in an Online MBA?**

Exams are usually **conducted online through proctored systems or at designated test centers**, depending on the university's policy.

12. **Will my Online MBA degree mention 'Online Mode'?**

No, most universities provide the **same MBA degree as regular students, without mentioning 'online'** on the certificate.

13. **Is an Online MBA UGC-approved?**
